04/11/2013 – 31/08/2014

Armalab s.r.l. _ via Gutenberg 14 _ 25020 Poncarale (Brescia) _ Italy
Engineering, Architecture and Construction Company

BIM Manager and Architect

- 05/2014-08/2014 • BIM design with Autodesk Revit of the new International School of Modena in Castelnuovo Rangone (Modena, Italy).
- 03/2014-06/2014 • BIM implementation for the Autodesk Revit pilot project of a crosslam NZEB in Manerbio (Brescia, Italy). Construction supervision assistant on site.
- 02/2014 • BIM Design with Autodesk Revit of a Passive House in Lugano, Switzerland.
- 10/2014-01/2015 • Design of biosPHera 2.0: a transportable tiny Passive House. Parametric design concept with visual programming (Rhinceros + Grasshopper). Clima analysis with Autodesk Ecotect.

01/10/2013 – 31/10/2014

Alba progetti soc. coop. _ via Emilia 25 _ 40026 Imola (Bologna) _ Italy
Engineering and Architecture Company

Architect

- 10/2014 • Project for the redevelopment of Regional Winery of Emilia Romagna in Rocca of Dozza Imolese (Bologna, Italy). Site inspection, interior design, 3D modeling, rendering and photomontages.

06/01/2013 – 28/02/2013

LADO Architetti _ via Paganino Bonafede 15/A _ 40139 Bologna _ Italy
Architecture Company

Intern Architect and Revit Technician

- 02/2013 • Project for the San Disma's church in San Lazzaro di Savena (Bologna, Italy). Interior design, 3D and BIM modeling, rendering and photomontages.

01/04/2012 – 10/09/2012

Carleton Immersive Media Studio _ Visualization and Simulation Building, Fourth Floor _ 1125 Colonel By Drive _ Ottawa, ON, K1S5B6_ Canada
Research Centre of Carleton University

Researcher

- 04/2012 – 09/2012 • Work on CDMICA Project which consists of building on a record of collaborative research in the fields of heritage conservation, and documentation and digital archiving. Specifically, he is involved in the recording of Canadian built heritage and translating it into a 3D model using Building Information Modelling (BIM).

ISTRUZIONE E FORMAZIONE

10/12/2014 – present

ERMES – Energetic certicator for building – Beta Formazione s.r.l. - Emilia Romagna Region, Italy

Design and analysis of the energy performance of buildings according to the regional rules.

Certificate of attendance Assessment Certification building energy.

30/03/2014 – present

Certified Passive House Designer - ZEPHIR PASSIVAHUS ITALIA - Passive House Institute

Design and construction of energy efficient buildings according to international certification Passive House

Certificate of attendance and Assessment Certified Passive House Designer

18/12/2013 – present

Engineering License - Ordine degli Ingegneri della Provincia di Bologna

Qualification as Engineer

Assessment Certified Engineer n° 8913/A
